SUPPORT OF CLIENTS OF REHABILITATION INSTITUTE KLADRUBY IN THEIR FUTURE SOCIAL REHABILITATION (CZECH REPUBLIC)

Votes: 1 [My Choice](#)

The mission of the project is due to counselling, consultation and educational programs to support impaired people in the rehabilitation institutions or after the termination of the health rehabilitation to social and labour inclusion and thereby to personal balance. Substantial part of the project is diagnostics, social and career counselling and direct assistance at the employment start.

Year: 2013
